Petition: Roose Library

To the House of Commons.

The petition of residents of the constituency of Barrow and Furness,

Declares that the Roose Library offers a vital service to a local people from lending books, to supporting literacy, to enabling community groups, and bringing local people together; further that Roose Library must be re-opened as a matter of urgency.

The petitioners therefore request that the House of Commons urge the Government to help ensure that Roose has a full library service restored as soon as possible. And the petitioners remain, etc.
